Hi Rob – Thanks for quick update and for arranging a 30-minute call. Thursday, June 11 would work, if we adjust the time to start at 12:00. - Jenny

Thank you, I will get back to you this week. I wanted to let you know CFAC announced last Friday that its consultant put together a Draft Remedial Investigation and Feasibility Study Work Plan and is requesting comments. The document is available at:

<http://www.rouxinc.com/cfac-draft-ri-fs-work-plan-available-for-public-comment/>

All comments are welcome. CFAC also formed a Community Liaison Panel because it realizes that the locals are interested in what is going on. Attached for your information is a brochure that was sent out last week. I added Carol to the mailing list.

Thank you for sending. Before I circulate would you please delete from Paragraph 7: "the above-ground portion of the Facility including" because there are above-ground portions of the Facility that CFAC kept. To be accurate the first sentence in Paragraph 7 should read: "Pursuant to the Asset Purchase and Demolition Agreement for the Pot Room Building Complex, dated April 27, 2015, CFAC sold and Calbag purchased the 451 Pots."

Subject: RE: CFAC_FID 2386_Final AOC

Steve/Cathy,

In response to the Columbia Falls Aluminum Co. LLC's (CFAC) letter dated July 24, 2014, and comments received from CFAC on the drafts of the proposed Administrative Order on Consent (Consent Order), the Montana Department of Environmental Quality (Department) is offering the attached

revised Consent Order for your consideration. Calbag Resources, LLC has been added as an additional responsible party to the Consent Order. An inventory of solid waste was also removed as a requirement of the Plan.

The Consent Order anticipates violations of the Montana Hazardous Waste Act (MHWA) at your facility by exceeding the hazardous waste accumulation and storage limits without a hazardous waste management permit. Under the Consent Order, CFAC agrees to complete actions as specified and pay stipulated penalties. Please refer to the Consent Order for a detailed description of the violations and discussion on stipulated penalties.

Please review the proposed Consent Order carefully. If CFAC agrees with the Consent Order as written, please sign it and return the original to me at the address below within 30 days. A copy of the executed Consent Order will be returned to CFAC.

Thank you for your cooperation. If you have any questions, please contact me at (406) 444-3937.

Mike Rieger
